Opposition No. 91217631

POM Wonderful LLC

v.

Zucrum Foods, LLC

**Tyrone Craven, Lead Paralegal Specialist:**

On October 16, 2014, the Board sustained the opposition against applicant in Opposition No. 91217421, refusing registration to applicant of the mark in application Serial No.86091141.<sup>1</sup> Accordingly, that application, which is also involved in this opposition, now stands abandoned. See Trademark Rule 2.136 and TBMP Section 807.

While the entry of judgment in the other opposition and resulting abandonment of application does not dictate that judgment automatically be entered in this case, opposer is allowed until days **thirty days** from the mailing date of this order to inform the Board whether it wishes to go forward and obtain a judgment on the opposition. If opposer fails to respond to this order, the opposition will be dismissed as moot.

Proceedings herein are otherwise suspended.

<sup>1</sup> Applicant's answer and counterclaim (filed September 8, 2014) and opposer's consented motion for extension of time (filed on October 3, 2014) are noted.
