NOTICE OF OPPOSITION

Midasplayer.com Limited., a United Kingdom limited company located at Central St Giles, 10th floor, 1 St Giles High Street, London WC2H 8AG, United Kingdom and its affiliated company King.com Limited, a Malta corporation located at Aragon House Business Centre, 4th Floor, Dragonara Road, St. Julians STJ 3140, Malta (collectively referred to as “Opposer” or “Midasplayer.com”) believe they will be damaged by the registration of the mark shown in application Serial No. 86/092,685, filed October 16, 2013, by EvolutionRed (hereinafter “Applicant”), and hereby oppose registration of the mark. The grounds for opposition are as follows:

1. Applicant’s mark published for opposition on May 6, 2014. Opposer filed and the Board approved extensions of time to oppose Applicant’s mark until September 3, 2014. This Notice of Opposition is timely filed.

2. Applicant is seeking to register the mark CANDY SPLASH in connection with “Downloadable mobile applications for gaming and entertainment, namely, electronic game software for wireless devices” in International Class 9.

3. Opposer is a leading global developer and marketer of online, social and mobile games, including the hugely successful CANDY CRUSH SAGA and CANDY CRUSH games. For example, the CANDY CRUSH SAGA game has over 20 million daily active users and has been positioned as the most popular game on Facebook and iTunes in numerous countries worldwide.

4. Since at least as early as 2004, Opposer and/or its predecessor in interest, has used a family of CANDY trademarks in connection with a variety of interactive games and applications. Opposer's CANDY Marks, products and services have been heavily promoted and widely successful.

5. Opposer is also the owner of the following trademark registrations and application for its CANDY Marks:

Mark	Serial No. / Reg. No.	Filing/Priority Date / Reg. Date	Classes of Goods and Services
CANDY CRUSH	85/840713 4,535,715	08/08/2012 05/27/2014	9, 25, 41
CANDY CRUSH SAGA	85/566839 4,541,423	03/12/2012 06/03/14	9, 25, 41
CANDY CRUSHER	86/200666	02/21/2014 First Use: 00/00/2004	9

Current printouts of information from the electronic database records of the USPTO showing the current status and title of the registrations and application are attached hereto as Exhibit A.

6. Opposer has advertised and promoted its CANDY Marks continuously and extensively, and has made substantial sales of products and services under said marks. As a result of such continuous use and promotion, Opposer's CANDY Marks have developed and represents valuable goodwill inuring to the benefit of Opposer.

7. There is no issue of priority concerning application Serial No. 86/092,685 since Opposer used its CANDY Marks at least as early as 2004, which is prior to Applicant's October 16, 2013 filing date. In addition, Opposer owns federal registrations with priority dates

that are more than a year before Applicant's filing or first use dates. Opposer therefore has priority over Applicant with respect to the marks at issue.

8. Upon information and belief, Applicant had knowledge of the fact that Opposer used its CANDY Marks as trademarks before it adopted its mark.

9. Upon information and belief, Applicant has not used the CANDY SPLASH mark in commerce prior to the June 1, 2013 alleged first use date in Applicant's application.

10. Applicant's CANDY SPLASH mark is confusingly and deceptively similar to Opposer's previously used CANDY Marks.

11. Applicant's alleged goods are closely related to Opposer's goods/services marketed and sold by Opposer in connection with Opposer's CANDY Marks. Specifically, both parties provide game software for mobile devices.

12. Upon information and belief, Opposer's goods/services and Applicant's goods will be promoted in the same channels of trade to the same consumers or class of consumers.

13. Due to the similarity between Applicant's claimed mark, CANDY SPLASH, and Opposer's CANDY Marks, the closely related nature of the goods and services of the respective parties, customers and potential customers are likely to believe that Applicant's goods originate from Opposer, resulting in a likelihood of confusion in the marketplace, and damage to Opposer.

14. The use and registration by Applicant of the mark CANDY SPLASH for Applicant's goods is likely to cause confusion or to cause mistake or deception in the trade, and among purchasers and potential purchasers, with Opposer's CANDY Marks, again resulting in damage to Opposer.

15. Because of the closely related nature of the goods and services of the parties, and the similarity of the marks, use and registration of the term CANDY SPLASH by Applicant is likely to cause confusion, mistake, or deception that Applicant's goods are those of Opposer, or

are otherwise endorsed, sponsored, or approved by Opposer for use with Opposer's goods/services causing further damage to Opposer.

16. Registration of the mark shown in Application Serial No. 86/092,685 will result in damage to Opposer under the provisions of Section 2 of the U.S. Trademark Act, 15 U.S.C. Section 1052, pursuant to the allegations stated above.

WHEREFORE, Opposer asks that its opposition to this application be sustained and that registration of the term CANDY SPLASH for the goods/services set forth therein be refused.

Please direct all correspondence to:

**Scott W. Johnston
MERCHANT & GOULD P.C.
P.O. Box 2910
