Fishman Transducers, Inc.

v.

Music Group IP Ltd.

Joi M Wilson, Paralegal Specialist:

Applicant's consented motion (filed September 28, 2016) to suspend proceedings for ninety days is granted.

Because the parties are negotiating for possible settlement of this case, proceedings are suspended subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c), and 2.127(a); TBMP § 605.02.

Progress Report Required for Motions to Suspend or Extend for Settlement

The Board has granted numerous motions to suspend or extend in this proceeding to accommodate the parties' settlement efforts. Upon expiration of the suspension period granted in this order, in order to establish good cause for all future requests for suspension or extension, the parties must include, in any further motions to suspend or extend, a detailed report setting forth what progress the parties have made towards settlement during the previous period of suspension

This report must set forth, at a minimum, **1) all dates on which the parties communicated, and the method of each communication (e.g. telephone, email, in-person meeting), 2) the general nature of each communication, 3) the issues that have been resolved, 4) the issues that remain to be resolved or that remain for trial, and 5) a proposed timetable for resolution of the unresolved issues.** Appropriately designated confidential information or materials may be filed under seal and will be barred from public viewing. *See* Trademark Rule 2.126(c); TBMP §§ 120.02 and 502.02(c).

Absent a progress report as required above, a motion to suspend or extend may be denied, even if consented to by the parties. If the Board denies such a motion, dates may remain as previously set. *See* TBMP § 509.01(a).

If there is no word from either party concerning the progress of settlement, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set forth in Applicant's motion.

The parties are barred from using ESTTA consent forms to submit any subsequent consented motion to extend or suspend dates pending settlement discussions, but must file a written motion which includes the required good cause showing in the form of a status report on the negotiations, and a proposed trial schedule. This bar is limited to consent motions changing the trial schedule based on settlement discussions, and does not prohibit use of ESTTA for other filings.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after

completion of the taking of testimony. Trademark Rule 2.125. Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys have a change of address, the Board must be so informed.
