v.

Marcus Asam, Mirjam Asam, Ruth Axel

Ellen Yowell, Paralegal Specialist:

The stipulated motion filed March 2, 2016 to further suspend this proceeding for 30 days to allow the parties to pursue settlement is granted.

Accordingly, proceedings are suspended for settlement for 30 days, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c) and 2.127(a); TBMP § 605.02.

In the event that there is no word from either party concerning the progress of their negotiations, proceedings shall remain suspended for the sole purpose of completing Opposer's testimony on written questions on the schedule set forth in the parties' motion.

Upon completion of the testimony deposition upon written questions, Opposer should promptly notify the Board so that this case may be called up for appropriate action.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.¹

¹ If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application or registrations, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
