NOTICE OF OPPOSITION

Skins International Trading AG (“Opposer”), a corporation located and doing business at Sennweidstasse 43 Steinhausen, Switzerland, 6312, believes it will be damaged by the registration of the trademark and design **ENERSKIN** in International Classes 10 and 25 in Application Serial No. 86/159,292, filed by EnerSkin Korea (“Applicant”), and hereby opposes the same.

As grounds for this opposition, Opposer alleges:

1. Opposer has pioneered and engineered a line of athletic gear including compression clothing and apparel known as SKINS. The company offers, *inter alia*, SKINS compression gear and apparel and sells its SKINS products through retailers in the United States and internationally, including through its own online store located at www.skins.net.

2. Since long prior to the filing of Applicant’s Application Serial No. 86/159,292, Opposer has marketed, distributed and sold its SKINS products and services under the trademarks S SKINS and S, and others (collectively the “SKINS Marks”).

3. Opposer owns registrations and applications for the SKINS Marks in International Classes 10, 18, 25, 28, and 35 for a variety of goods, including, but not limited to, surgical and medical compression clothing for muscular support, including, compression shirts, compression shorts, compression stockings, compression socks, compression sleeves, and compression underwear; clothing, apparel, and compression garments for athletic use, including pads and sports guards for athletic use, and leggings, pants, tights, shorts, long and short sleeved tops, jerseys, vests, bags and accessories; and retail services, including store, wholesale, mail-order, on-line and distributor services for such garments and accessories. Opposer's registrations and applications for the SKINS Marks include the registrations and applications set forth in Exhibit A to this Notice of Opposition. These registrations and applications are valid, subsisting, and owned by Opposer.

4. By virtue of the popularity of Opposer's goods and services offered or sold in connection with the SKINS Marks, and Opposer's advertising and promotion of the SKINS Marks, Opposer has built up and now owns an extremely valuable goodwill and reputation which is symbolized by its SKINS Marks.

5. Applicant's proposed use of the mark ENERSKIN for a "medical compression clothing for muscular support, namely, shirts, shorts, partial arm or leg sleeves, and full arm or leg sleeves" in International Class 10 and "compression clothing for athletic and non-medical muscular support use, namely, shirts, shorts, partial arm or leg sleeves, and full arm or leg sleeves" in International Class 25 ("Applicant's Goods") in App. Ser. No. 86/159,292 is without Opposer's consent or permission.

6. Opposer believes that Applicant's proposed use of the mark ENERSKIN for Applicant's Goods is likely to cause confusion, mistake, or deception in that consumers are

likely to believe that Applicant's Goods are Opposer's goods or the goods of a person or company that is sponsored, authorized or licensed by, or in some other way legitimately connected with, Opposer.

WHEREFORE, Opposer respectfully requests that this opposition be sustained and that Application Serial No. 86/159,292 be denied registration.

Please debit our Deposit Account No. 502547 for the filing fee and for any additional necessary fees.
