Applicant consented to this extension via email on May 24, 2016.

The parties are engaging in settlement discussions therefore this request is made in good faith and not merely for delay. The parties have spent the current extension period further negotiating and revising a written settlement agreement. However, the logistics of the parties (Opposer's outside counsel is located in Australia, Opposer is located in Switzerland and Applicant is located in Korea) warrants additional time for finalizing and executing such agreement as both parties have had additional comments and revisions.

For the reasons set forth herein, Opposer, with the consent of Applicant, respectfully requests that the Board grant this extension of time.
