Opposition No. 91219787

Garan Services Corp.

v.

DreamWorks Animation L.L.C.

By the Trademark Trial and Appeal Board:

On April 15, 2015, the parties filed a stipulated motion to amend Applicant's involved application Serial No. 86323057 to delete International Class 25 in its entirety without prejudice, and to withdraw the opposition with prejudice with respect to International Class 28.

In an opposition to an application having multiple classes, if the applicant files a request to amend the application to delete an opposed class, the request for amendment is, in effect, an abandonment of the application with respect to that class, and is governed by Trademark Rule 2.135. *See* TBMP § 602.01. In view thereof, and because Opposer's written consent is of record, application Serial No. 86323057 stands **abandoned** without prejudice with respect to International Class 25.¹

¹ The Board's records have been updated to reflect Applicant's change of correspondence address (filed April 8, 2015).

Opposition No. 91219787

The opposition is dismissed **with prejudice** with respect to International Class
28.
