v.

Morales Caro, Luis R.

Jennifer Krisp, Interlocutory Attorney:

Applicant's October 19, 2015 consented motion requesting an extension of time to respond to Opposer's motion to compel discovery is granted. The parties request an extension of twenty-one days. Accordingly, Applicant's brief in response is due **November 10, 2015**. This deadline is set by the Board; the additional five days allowed by Trademark Rule 2.119(c) does not apply to deadlines set by the Board.

The time for filing a reply brief will not be extended under any circumstances. Trademark Rule 2.127(a). In the event that any issues raised in the motion are subsequently resolved by the parties, Opposer must so inform the Board in its reply brief clearly stating the issues in the motion which no longer require determination. Trademark Rule 2.120(e); TBMP § 523.02 (2015).

Proceedings remain suspended pending disposition of the motion to compel. Trademark Rule 2.120(e)(2).
