Boom Nutrition, Inc.

v.

Mannatech, Incorporated

**Rochelle Adams, Paralegal Specialist:**

On April 2, 2015, applicant filed an abandonment of its application Serial No. 86336663.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because **opposer's written consent** to the abandonment is not of record, applicant is allowed until thirty days from the mailing of this order in which to submit opposer's written consent. Failing, which judgment will be entered against applicant, at such time the opposition will be sustained and registration to applicant refused.
