**CONSENTED MOTION TO AMEND APPLICATION**

Applicant Performant Systems Group, LLC, moves pursuant to 37 CFR § 2.133(a) to amend its application as described below. Applicant has obtained the consent of Opposer, Insight Direct USA, Inc., to the requested relief. In support of its motion, Applicant states as follows:

1. Opposer filed its Notice of Opposition on 02/09/2015. *See* Docket No. 1.
2. By written agreement dated 03/05/2015, the parties have agreed to resolve their dispute on the condition, *inter alia*, that Applicant amend the Application so as to narrow the scope of the description of goods and services.
3. The description of goods and services currently reads as follows:

Computer software development, cloud hosting provider services, and computer system integration services for organizing strategic data assets, displaying data via interfaces and graphical dashboards, and disseminating data via cloud and mobile applications.

4. Applicant seeks to amend the description of goods and services as shown below:

Computer software development, ~~cloud hosting provider services~~, and computer system integration services for organizing strategic data assets, displaying data via interfaces and graphical dashboards, and disseminating data via cloud and mobile applications.

5. The amended description of goods and services would read as follows:

Computer software development and computer system integration services for organizing strategic data assets, displaying data via interfaces and graphical dashboards, and disseminating data via cloud and mobile applications.

6. The proposed amendment of the Applicant would narrow the scope of the description of goods and services.

7. Applicant has obtained the consent of Opposer to the requested amendment.

WHEREFORE, Applicant respectfully requests that its Consented Motion to Amend Application be GRANTED.

Respectfully submitted,

**DICKINSON WRIGHT, PLLC**
