v.

P3 ingenieurgesellschaft mbH

Millicent Canady, Paralegal Specialist:

Because the parties are negotiating for a possible settlement of this case, the parties' consent motions, filed June 27, 2017 and July 27, 2017, to extend Applicant's time to file its brief in opposition to Opposer's motion for sanctions, filed January 30, 2017, for an additional 30 days, *i.e.* until August 29, 2017, is **GRANTED**.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of this extended period to respond, consideration of Opposer's motion for sanctions will resume without further notice or order from the Board.

The proceeding is otherwise **SUSPENDED**, pending determination of Opposer's motion for sanctions. When a party timely files a potentially dispositive motion, the proceeding is suspended with respect to all matters not germane to the motion, and no party should file any paper which is not germane to the motion except as

Opposition No. 91221093

otherwise may be specified in a Board order. *See* Trademark Rule 2.127(d).

Accordingly, the Opposition Nos. 91221093 (Parent) & 91221702

proceeding is suspended as of the filing date of the motion for sanctions. Any paper filed during the pendency of this motion which is not germane thereto will be given no consideration. *See* Trademark Rule 2.127(d).

The motion for sanctions will be decided in due course.
