David Mermelstein, Administrative Trademark Judge:

This case comes before the Board for consideration of Applicant's July 21, 2015, consented motion to suspend proceedings (including Applicant's time for responding to Opposer's motion to strike) for ninety days for settlement.

Applicant's motion is granted. Proceedings are suspended for ninety days, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c), and 2.127(a); and TBMP § 605.02.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice upon the schedule set forth in Applicant's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.¹

¹ If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
