MOTION TO SUSPEND OPPOSITIONS FOR SETTLEMENT

Rally Health, Inc. ("Applicant") by and through its attorneys Seyfarth Shaw LLP hereby moves to suspend the oppositions for thirty (30) days so that the parties can complete a settlement in principal that has been reached. In support of its Motion, Applicant states as follows:

On July 11, 2015, counsel for Redbrick Health Corporation ("Opposer") confirmed that Opposer had agreed to the major terms of settlement.

On July 17, 2015, counsel for Applicant provided a draft agreement to counsel for Opposer.

On July 20, 2015, counsel for Opposer provided her comments to the agreement.

Opposer previously agreed to an extension of time to answer the Notice of Oppositions until July 23, 2015.

While counsel for Opposer has indicated that her client objects to granting a further extension or suspension of proceedings, in light of the current status of the matter--that the parties have agreed to a settlement in principal and are in the process of circulating drafts of the settlement document, an extension or suspension of proceedings is reasonable and appropriate at this time.

Wherefore, Applicant respectfully requests that its motion to suspend be granted, or alternatively, grant Applicant and additional 21 days to file its answers to the Notices of Opposition.

DATED: July 23, 2015

Respectfully submitted,

SEYFARTH SHAW LLP
