CONSENTED MOTION TO FURTHER SUSPEND PROCEEDINGS

Opposer, through its attorneys, hereby moves on consent of counsel for Applicant to further suspend the above-captioned opposition proceedings for an additional ninety-day (90 day) period. The proceedings are currently suspended and due to resume on November 6, 2017.

Opposer's attorney is currently negotiating a settlement and global co-existence agreement with Applicant's Italian counsel. The terms of the agreement will dispose of pending Italian court litigation; several foreign-country opposition/cancellation proceedings; as well as this above captioned, U.S. opposition proceeding. The additional time is needed to finalize the agreement.

Applicant's Motion for Summary Judgment filed on May 11, 2016 has been fully briefed. Additionally, Opposer has filed a Cross-motion for Summary Judgment (the "Cross-Motion") on June 15, 2016, Applicant's time to file its response to the Cross-Motion was set for thirty (30) days after resumption of these proceedings.

The parties request that these proceedings be further suspended for an additional ninety (90) day period, ending February 4, 2018 subject to the right of either party to request resumption at any time. The parties also agree that Applicant shall have thirty (30) days after resumption of these proceedings to respond to the Cross-Motion.

This motion relies on good cause, and is not brought for the purposes of delay. The parties are negotiating a global settlement and a proposed settlement agreement has been drafted for consideration by the parties.
