This proceeding is fully briefed. The Board notes Applicant's request for an oral hearing, filed on October 6, 2017 pursuant to Trademark Rule 2.129(a).

The Board requires the parties to confer and determine the following: (1) whether the non-requesting party plans to participate in the hearing, (2) whether any party plans to participate by video conference, and (3) assuming participation by all parties, at least three *agreed-upon* non-consecutive dates and times for the hearing that are convenient for the participants, **such dates being between December 1, 2017 and February 1, 2018**. The Board will only consider possible hearing dates upon which the parties have agreed. The requesting party is allowed until fifteen days of the mailing date of this order to submit, through ESTTA, a response to this order which includes all of the required information. *See* Trademark Rule 2.126(a). If the Board does not receive a

timely response to this order, the request for an oral hearing will be considered to have been waived, and the matter will be submitted for decision on the record and briefs.

If the Board has been informed, or is informed through ESTTA by the response to this order, that any party plans to attend the hearing by video conference, a USPTO video conference technician will contact such party to arrange a test of the equipment provided by the party to facilitate attendance by video conference. It is the responsibility of any party planning to participate by video conference to make appropriate arrangements with the video conference technician to allow such participation. The USPTO is not responsible for providing parties with the means to participate by video conference.

Once the Board has received an acceptable response to this order providing the necessary information, and has confirmed the hearing date and time, the Board will issue written notice of the hearing. *See* Trademark Rule 2.129(a) and TBMP § 802.03.
