**Karl Kochersperger, Paralegal Specialist:**

Applicant's consented motion, filed June 28, 2018, to further suspend this proceeding is granted for good cause shown. The parties are reminded that there is a continuing obligation to provide good cause in the form of progress reports for any further extension or suspension request.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended, subject to the right of either party to request resumption at any time.<sup>1</sup> See Trademark Rule 2.117(c).

---

<sup>1</sup> The parties should note that if proceedings are suspended for a lengthy period of time pursuant to the filing of several motions to suspend for settlement, the Board retains discretion to condition the approval of any future consented or stipulated motion to suspend on a party or the parties providing necessary information about the status of settlement talks, discovery activities, or trial activities, as may be appropriate, as is the case here. Trademark Rule 2.117(c).

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed. *See* Trademark Rule 2.18(b)(1).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, **proceedings shall resume without further notice or order from the Board**, upon the schedule set forth below as modified.

These include pretrial disclosures, the manner and timing of taking testimony, matters in evidence, and the procedures for submitting and serving testimony and other evidence, including affidavits, declarations, deposition transcripts and stipulated evidence.
