RESPONSE TO BOARD ORDER

Applicant respectfully requests why judgment by default should not be entered against him because Applicant is currently Pro. SE. And filled an additional 30 day extension via mail and gave to his former assistant to drop off at USPS post office. In result his former assistant was negligent and did not deliver response to post office and failed to inform him. Applicant was unaware that the response was not filed until he just recently reviewed notification that he was in default of judgment due to no response for the deadline of extension of time granted.

Applicant considerately request that the board judgment by default not be entered against him for this matter and grant him an additional 30 day extension to receive an attorney help to conduct additional investigation to determine the response to each answer for opposition.

Respectfully submitted,

/Lawrence Mallard/
