foregoing excluding data colocation solutions, disaster recovery services, and cloud storage and network services”

The goods description should now read:

“software as a service (SAAS) services featuring software for automated data modeling, machine learning, predictive analytics, automated reasoning in the fields of ecommerce, retails analytics, supply chain analytics, Enterprise Resource Planning (ERP), Manufacturing Execution Systems (MES), connected factories, and smart nations; **all of the foregoing excluding data colocation solutions, disaster recovery services, and cloud storage and network services”** in International Class 42.

It is respectfully submitted that this amendment does not require republication as the amendment of the description of goods narrows rather than broadens the scope of the application.

This amendment is made pursuant to an Agreement between Applicant and Opposer, who has consented to this amendment. If the amendment is approved by the Board, Opposer, with Applicant’s consent, requests that the opposition be withdrawn without prejudice.

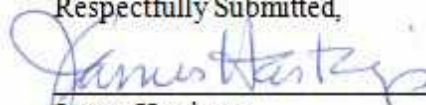

The parties further request that the opposition proceeding be suspended pending disposition of this motion.

CONCLUSION

Applicant respectfully requests that this request to amend the application be granted in its entirety.

Dated: July 19, 2016

Respectfully Submitted,
