**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

ACANO (UK) LIMITED,

Opposer,

v.

AKANA, INC.,

Applicant.

Opposition No. 91225976

US Application No. 86531529

**REQUEST TO AMEND APPLICATION WITH CONSENT AND STIPULATION TO DISMISS
THE OPPOSITION**

Applicant, Akana, Inc., with the consent of Opposer, hereby requests that the identification of goods and services in its application Serial No. 86531529 for the mark AKANA be amended to add the language underlined below:

Class 9: Computer software for application programming interface (API) access, deployment, management and security; computer software for application and database integration; computer software for integration of computer systems, applications, data and databases; computer software for designing, visualizing, implementing, testing, adapting, monitoring and managing of web services, APIs, and computer integration applications; computer software for the development and deployment of computer integration applications; computer software for monitoring and analyzing the performance of application programming interfaces (API), web services, and electronic messaging applications; all of the aforesaid relating to API software to enable enterprises to design, manage, secure, deploy, and monitor APIs for use by their internal and external app developers

Class 42: Providing on-line non-downloadable computer software for application programming interface (API) access, deployment, management and security; providing on-line non-downloadable computer software for monitoring and analyzing the performance of application programming interfaces (API); providing on-line non-downloadable computer software for application and database integration; providing on-line non-downloadable computer software for integration of computer systems, applications, data and databases; providing on-line non-downloadable computer software for designing, visualizing, implementing, testing, adapting, monitoring and managing of web services, APIs, and computer integration applications;

providing on-line non-downloadable computer software for the development and deployment of computer integration applications; providing a website featuring information about application programming interfaces (APIs) and integration of computer systems, applications, data and databases; cloud computing services featuring computer software platforms for use in web-based application interface (API) access, deployment, management, and security; cloud computing services featuring application programming (API) interface software for creating, deploying, accelerating, executing and securing transmission of web services and internal electronic business communications; cloud integration services, namely, providing online non-downloadable software that connects cloud applications with off-premise cloud and on-premise data sources, software as a service providers, and third party computer application software; all of the aforesaid relating to non-downloadable API software to enable enterprises to design, manage, secure, deploy, and monitor APIs for use by their internal and external app developers

Subject to, and upon entry of the amendments above, Opposer Acano (UK) Limited and Applicant Akana, Inc. hereby further stipulate to the dismissal of the subject Opposition without prejudice.

Respectfully submitted,

AKANA, INC.
