Elizabeth A. Dunn, Attorney (571-272-4267):

Proceedings are suspended pending disposition of Opposer's motion, filed January 19, 2018, to compel discovery, except as discussed below.<sup>1</sup> The parties should not file any paper that is not germane to the motion to compel. *See* Trademark Rule 2.120(f)(2).

The filing of the motion to compel disclosure or discovery shall not toll the time for a party to comply with any initial disclosure requirement, or to respond to any outstanding discovery requests or to appear for any noticed discovery deposition. The parties may not serve any additional discovery until the period of suspension is lifted or expires by or under order of the Board.

The motion to compel will be decided in due course.

<sup>1</sup> Upon the Board's disposition of the motion, the Board will reset Applicant's time to respond to the motion to amend the pleadings filed the same day.
