Opposition No. 91226487

ALK Technologies, Inc.

v.

Michael Zelickson and Benjamin Murphy

By the Trademark Trial and Appeal Board:

On September 23, 2016, Applicant filed a proposed amendment to its application Serial No. 86656426, with Opposer's consent, and Opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the identification of goods in International Class 9 to add the following underlined wording:

Computer application software for mobile phones, namely, software for parents to better monitor their children and prevent cell phone use while driving by limiting access to applications and contacts, which application software excludes the provision of navigational assistance.

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because Opposer consents, the amendment is **APPROVED** and **ENTERED**. See Trademark Rule 2.133(a).

Opposition No. 91226487

The contingency of Opposer's withdrawal having been met, the opposition is **DISMISSED** without prejudice.
