IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

CITIGROUP INC., Opposer, v. ATOS WORLDLINE S.A., Applicant.	Consolidated Opposition No. _____ Mark: worldline Application No. 86/018,087 Mark: worldline e-payment services Application No. 86/018,090

NOTICE OF OPPOSITION

Citigroup Inc. ("Citigroup" or "Opposer"), a Delaware corporation with its principal office at 399 Park Avenue, New York, NY believes that it would be damaged by Atos Worldline S.A.'s ("Applicant") registration of the marks worldline, shown in U.S. Trademark Application Serial No. 86/018,087, and worldline e-payment services, shown in U.S. Trademark Application Serial No. 86/018,090 (collectively, the "Applicant's Marks"), and hereby opposes the same.

As grounds for opposition, Citigroup alleges as follows:

Citigroup's WORLDLINK Marks

1. Citigroup's federal registrations for WORLDLINK, U.S. Registration No. 1,515,736, granted on December 06, 1988, and U.S. Registration No. 1,975,030, granted on May 21, 1996, have both reached incontestable status pursuant to 15 U.S.C.

§ 1065, (collectively the "WORLDLINK Marks"). (Printouts from the PTO TSDR database are attached as Exhibit A).

Mark	Reg. No. Reg. Date	Services First Use in Commerce
WORLDLINK	1,515,736 Dec. 06, 1988	**(Int. Cl. 36)** electronic banking services, namely, automated multi-currency check issuing services First Use in commerce: December 1984
WORLDLINK	1,975,030 May 21, 1996	**(Int. Cl. 36)** electronic banking services, namely multi-currency check processing and funds transfer services First Use in commerce: December 1984

2. The foregoing registrations are valid and subsisting and constitute conclusive evidence of Citigroup's ownership of and exclusive right to use the WORLDLINK Marks in commerce in connection with the services listed in the registrations.

3. For over 20 years, Citigroup and its operating affiliates have offered, throughout the United States and worldwide, electronic banking services that make fund transfers and issue secure payments under the WORLDLINK brand.

4. Citigroup and its operating affiliates have spent substantial amounts of money and devoted considerable time and energy in advertising, using, promoting, marketing, and developing awareness for its WORLDLINK Marks as used in connection with multi-currency check processing and funds transfer services.

5. As a result of Citigroup's regular, extensive use, the WORLDLINK Marks are associated exclusively with Citigroup and its high quality services.

Applicant's WORLDLINE Marks

6. Applicant is the listed owner of Application Serial No. 86/018,087, which was filed on July 23, 2013 (and subsequently amended on August 7, 2015), under § 44(e) for the worldline mark in connection with the following services in Class 36:

> Electronic payment services involving electronic processing and subsequent transmission of bill payment data; electronic financial transaction services in the nature of clearing and reconciling financial transactions via a global computer network; on-line payment services involving electronic processing and subsequent transmission of bill payment data; services of processing and management of payments made by credit card, payment card, and checks; credit card services; management of payment operations like debits, credits and cancellations, namely, providing electronic processing of credit card transactions and electronic payments via a global computer network; consultancy regarding the above mentioned services

7. Applicant is the listed owner of Application Serial No. 86/018,090, which was filed on July 23, 2013 (and subsequently amended on August 7, 2015), under § 44(e) for the worldline e-payment services mark in connection with the following services in Class 36:

> Electronic payment services involving electronic processing and subsequent transmission of bill payment data; electronic financial transaction services in the nature of clearing and reconciling financial transactions via a global computer network; on-line payment services involving electronic processing and subsequent transmission of bill payment data; services of processing and management of payments made by credit card, payment card, and checks; credit card services; management of payment operations like debits, credits and cancellations, namely, providing electronic processing of credit card transactions and electronic payments via a global computer network; consultancy regarding the above mentioned services

8. On September 8, 2015, Application Serial Nos. 86/018,087 and 86/018,090 were published for opposition in the *Official Gazette*, and Citigroup

subsequently filed timely extensions of time to oppose each application on October 5, 2015, and January 4, 2016 (with Applicant's consent).

Likelihood of Confusion, 15 U.S.C. § 1052(d)

9. Citigroup repeats and realleges each and every allegation set forth above.

10. Citigroup has priority based on its valid and subsisting registrations for the WORLDLINK Marks set forth in Paragraph 1 above.

11. Applicant's Marks are highly and/or substantially similar to Citigroup's WORLDLINK Marks. The dominant element of the Applicant's Marks, "WORLDLINE," differs from Citigroup's WORLDLINK Marks by only one letter.

12. Moreover, the services cited by Applicant under Applicant's Marks, set forth in Paragraphs 6-7 above, are related, if not closely similar or identical to services Citigroup offers or has offered under the WORLDLINK Marks.

13. Accordingly, Applicant's Marks so resemble Citigroup's WORLDLINK Marks in appearance and sound, as to be likely, when used and registered in connection with Applicant's services, to cause confusion, or to cause mistake, or to deceive in violation of Section 2(d), 15 U.S.C. § 1052(d); and will thereby injure and damage Citigroup and the goodwill and reputation of Citigroup's WORLDLINK Marks.

14. The registration of Applicant's Marks would grant Applicant rights to which it is not entitled, and would be inconsistent with prior and established rights of Citigroup in the WORLDLINK Marks.

15. By reason of the foregoing, Citigroup will be damaged by the registration of Applicant's Marks to Applicant.

WHEREFORE, Citigroup prays that Application Serial Nos. 86/018,087 and 86/018,090 be refused, that no registration be issued to Applicant, and that this opposition be granted in favor of Citigroup.

Respectfully submitted,

Citigroup Inc.
