v.

Corpus Sanus ehf.

By the Trademark Trial and Appeal Board:

On November 20, 2017, Applicant filed a proposed amendment to application Serial No. 79160957, with Opposer's consent, and Opposer's withdrawal with prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the recitation of services in both International Classes 41 and 44 to add the following underlined language:

International Class 41

Education and training services, namely, classes, seminars, and workshops in the field of health excluding services related to dental practices and dental, orthodontic, and prosthodontics care; electronic or digital publication of scientific and health-related material such as books and videos, namely electronic or digital publication of books, magazines, journals, articles, brochures, and videos in the field of science and health excluding services related to dental practices and dental, orthodontic, and prosthodontics care; organizing and conducting entertainment and educational health-related events, namely, organizing and conducting health events for

entertainment and educational purposes excluding services related to dental practices and dental, orthodontic, and prosthodontics care; arranging and conducting of educational events for the purposes of promoting healthy living, namely, arranging and conducting health and wellness events for educational purposes excluding services related to dental practices and dental, orthodontic, and prosthodontics care.

International Class 44

Medical services, namely, telehealth and telemedicine including medical consultancy, follow up assessments, psychological consultancy, and treatments excluding services related to dental practices and dental, orthodontic, and prosthodontics care; providing electronic or digital information in the field of health, namely, information on health promotion, prevention, diagnosis and treatment of disease excluding services related to dental practices and dental, orthodontic, and prosthodontics care.

The amendment is limiting in nature, as required by Trademark Rule 2.71(a).

Because Opposer consents, the amendment is **APPROVED** and **ENTERED**. See Trademark Rule 2.133(a).

The contingency of Opposer's withdrawal having been met, the opposition is **DISMISSED** with prejudice.
