UNOPPOSED MOTION TO AMEND APPLICATION

Pursuant to 37 C.F.R. §2.133 and TBMP § 514, Applicant, Trinity Health Corporation, hereby moves the Trademark Trial and Appeal Board to amend the drawing and the description of the mark of Application Serial No. 86/779,873, without prejudice, as follows:

1. Please replace the current drawing of the mark with the attached drawing.
2. Please replace the current description of the mark with the following description:

The color(s) gray, purple, and green is/are claimed as a feature of the mark. The mark consists of a design of a flower featuring four petals. The upper right, lower right, and lower left petals are presented in purple. The upper left petal is presented in green. The flower design resembles a cross. To the right of the flower design is the wording "Trinity Health" in gray. The wording "Of New England" is in purple below "Trinity Health" and in smaller print that is not more than 55% of the font size of 'Trinity Health'.

Applicant respectfully submits that these amendments are not material alterations of the applied-for mark and would not require republication of the mark. Opposer, Health New England, Inc., does not oppose this Motion. Approval and entry are thus respectfully requested.

Respectfully submitted,

Date: July 28, 2017
