Argus Software, Inc.

v.

*Argus Information and Advisory Services,
LLC*

Lalita Webb, Paralegal Specialist:

The parties' consented motion filed August 29, 2018, to suspend this proceeding for sixty (60) days is granted.¹ Because the parties are negotiating for a possible settlement of this case, proceedings are suspended, subject to the right of either party to request resumption at any time.² *See* Trademark Rule 2.117(c), and 2.127(a); and TBMP § 605.02).

¹The parties are reminded that there is a continuing obligation to provide a report on the progress of the parties' settlement efforts to establish good cause for any further extension or suspension. Such report must include: a recitation of issues that have been resolved and issues that remain to be resolved, and a firm timetable for resolution. Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

² The parties should note that if proceedings are suspended for a lengthy period of time pursuant to the filing of several motions to suspend for settlement, the Board retains discretion to condition the approval of any future consented or stipulated motion to suspend on a party or the parties providing necessary information about the status of settlement talks, discovery activities, or trial activities, as may be appropriate. *See* Trademark Rule 2.117(c).

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed. *See* Trademark Rule 2.18(b)(1).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set forth below.

Generally, the Federal Rules of Evidence apply to Board trials. Trial testimony is taken and introduced out of the presence of the Board during the assigned testimony periods. The parties may stipulate to a wide variety of matters, and many requirements relevant to the trial phase of Board proceedings are set forth in Trademark Rules 2.121 through 2.125. These include pretrial disclosures, the manner and timing of taking testimony, matters in evidence, and the procedures for submitting and serving testimony and other evidence, including affidavits,

declarations, deposition transcripts and stipulated evidence. Trial briefs shall be submitted in accordance with Trademark Rules 2.128(a) and (b). Oral argument at final hearing will be scheduled only upon the timely submission of a separate notice as allowed by Trademark Rule 2.129(a).
