**Nicole Thier, Paralegal Specialist:**

On December 12, 2016, the Board issued a notice of default based on Applicant's failure to file a timely answer to the notice of opposition.

However, it has come to the Board's attention that Applicant did file a timely answer on November 1, 2016, which due to an inadvertent error at the time of filing, was not processed by the Board. The Board regrets the inconvenience and any resulting confusion to the parties.

Accordingly, the Board's December 12, 2016 notice of default is vacated and Applicant's November 1, 2016 answer is accepted and made the operative pleading.

Trial dates remain as previously set forth in the Board's September 26, 2016 order.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of taking of testimony. Trademark Rule 2.125.
