Certina A.G. (Certina S.A.) (Certina Ltd.)

v.

T.R.B. International SA

Robert H. Coggins,
Interlocutory Attorney:

The parties' stipulated motion (filed August 24, 2016, by Applicant) to suspend this Board proceeding pending disposition of a related foreign trademark proceeding is **granted**. See Trademark Rule 2.117(c). Proceedings are accordingly **suspended**. Within fifteen days after the final determination of the foreign proceeding,¹ the parties must notify the Board so that this case may be called up for appropriate action (including, if appropriate, resetting Applicant's time to answer the notice of opposition).

Applicant's consented motion for an extension of time (filed September 2, 2016, at 5 TTABVUE) was unnecessary and needlessly cluttered the electronic case file for this proceeding. In view of the suspension granted herein, the automatically generated order granting the motion to extend is **vacated** and the motion will be given no further consideration.

¹ A proceeding is considered to be finally determined when a decision on the merits of the case (*i.e.*, a dispositive ruling that ends litigation) has been rendered, and no appeal has been filed therefrom or all appeals filed have been decided. See TBMP § 510.02(b).
