NOTICE OF OPPOSITION

Opposer, Chatam International Incorporated, believes it will be damaged by the registration of the mark shown in trademark application Serial No. 86805867 for SEXXY BITCH and hereby opposes the same.

1. Opposer, since June 26, 1997, has used and is now using in commerce the trademark HOT SEX. Said mark of Opposer is symbolic of goodwill and consumer recognition built up by Opposer's continuous use for more than 19 years.

2. Opposer is the owner of U.S. Trademark Registration No. 2103842 issued October 7, 1997 for HOT SEX in Class 33 for mixed drink consisting of ginger liqueur and chocolate. Opposer will rely herein upon said U.S. Trademark Registration and the common law rights associated with use of the mark.

3. On October 31, 2015, Applicant, Wilma & Betty Forever, LLC, filed a trademark application for SEXXY BITCH in Class 33 for Wine products, namely, wines, wine coolers and champagne; spirit products, namely, tequila and mezcal which said application was assigned Serial No. 86805867.

4. On April 5, 2016, Applicant's trademark application Serial No. 86805867 for SEXXY BITCH was published for opposition purposes.

5. Opposer believes it will be damaged by the registration of Applicant's mark SEXXY BITCH in that the mark makes a confusing, similar commercial impression to Opposer's mark HOT SEX. Applicant's mark will be used in connection with goods that are likely to be sold through the same or commercially related channels of trade to the same or overlapping class of purchasers.

6. Based on the similar nature of the marks and the goods in issue, as well as the likely overlap in the channels of trade, the public is likely to be confused, mistaken or deceived as to the origin and sponsorship of Applicant's goods marketed under SEXXY BITCH and misled into believing such goods are produced by, emanate from, or are in some way directly or indirectly associated with Opposer, or that there exists some affiliation or relationship between Applicant and Opposer.

7. Based on the similar nature of the marks and the goods in issue, as well as the likely overlap in the channels of trade, issuance of a registration for SEXXY BITCH will likely cause confusion of the trade and public resulting in damage and injury to Opposer.

8. Based on the similar nature in commercial impression between Opposer's mark and Applicant's mark, Opposer believes that a likelihood of confusion will exist and Opposer will subsequently suffer damage and injury by the use and registration of Applicant's mark.

9. For all the above reasons, the issuance of registration to Applicant for the mark SEXXY BITCH and any use of the mark SEXXY BITCH or any variation thereof on or in connection with alcoholic beverages is likely to cause confusion, or to cause mistake, or to deceive the public, or to cause the public to believe that the goods sold under SEXXY BITCH or any variation thereof emanate from or are otherwise sponsored or endorsed by Opposer, in violation of Section 2(d) of the Lanham Act, 15 U.S.C. 1052(d).

10. If Applicant is granted a registration for the mark SEXXY BITCH, it would obtain thereby at least a prima facie exclusive right to use the mark. Such registration would be a source of damage and injury to Opposer, Opposer's customers and the general public.

WHEREFORE, Opposer prays that said application Serial No. 86805867 for the mark SEXXY BITCH be rejected, and that no registration be issued thereon to Applicant, and that this Opposition be sustained in favor of Opposer.

Opposer certifies that on this same day this Notice of Opposition was served on Applicant as Correspondent designated in the records maintained by the Trademark Office by First Class U.S. Mail to the correspondence address of record as maintained by the Trademark Office.

Respectfully submitted,

Dated: 3 August 2016
