**Elizabeth A. Dunn, Attorney (571-272-4267):**

Proceedings are suspended pending disposition of Opposer's motion (filed June 16, 2017) for sanctions in the form of judgment. The parties should not file any paper that is not germane to the motion for sanctions. *See* Trademark Rule 2.120(d).

The parties may not serve any additional discovery until the period of suspension is lifted or expires by order of the Board. The filing of the motion for sanctions shall not toll the time for a party to respond to any outstanding discovery requests or to appear for any noticed discovery deposition. The schedule for expert disclosures and discovery is also suspended by this order and will be reset in the event that the Board resumes proceedings.

Opposer's motion for sanctions will be decided in due course.
