MEMORANDUM IN SUPPORT

Petitioner/Opposer Accumetric, LLC ("Accumetric") filed its Motion to Compel on February 6, 2017. GlueBoss, however, was purchased by a third party, IPS Structural Adhesives, Inc. ("IPS") and the trademarks at issue were subsequently assigned. By request of the parties, the TTAB entered an order joining IPS as a party in this case and granting IPS an extension to respond to Accumetric's motion to compel. As indicated in the parties' Third Motion for an Extension of Time, Accumetric and IPS have engaged in settlement discussions and have reached an agreement in principle. Since the last extension, the parties have made additional progress in settlement discussions, but still need additional time to finalize their agreement. Accordingly, Accumetric and IPS jointly request that IPS be granted an additional thirty (30) days to respond to Accumetric's pending motion to compel, thereby extending the deadline to July 10, 2017.

Respectfully submitted,
