The grounds for this request are as follows:

- *Parties are engaged in settlement discussions*
- *Since the last extension request was approved, the parties have finalized a settlement agreement and the defendant has already signed it. Defendant forwarded the signed agreement to Opposer today. The parties need a few more days to give Opposer time to execute the settlement agreement and withdraw the opposition. The parties anticipate that this process will be completed well within the additional 30-day extension requested. Settlement and withdrawal of the opposition will save Board resources and ultimately serve the interests of all parties. Opposer and defendant respectfully submit that they have established good cause for this one final request for an extension of time.*

Reed Exhibitions Limited has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

Reed Exhibitions Limited has provided an email address herewith for itself and for the opposing party so that

any order on this motion may be issued electronically by the Board.
