Jive Software, Inc.

v.

Jyve Corporation

ELIZABETH J. WINTER, INTERLOCUTORY ATTORNEY:

On September 25, 2017, pursuant to the parties' agreement, Applicant filed a proposed amendment to its application Serial No. 86758972, with Opposer's consent.

By the proposed amendment, Applicant seeks to amend the identification of goods and services as follows:¹

Class 9

From:

Downloadable mobile software application that permits individuals to accept jobs in the fields of merchandising and sales posted by branded consumer packaged goods companies and complete tasks by following a customized script; Downloadable mobile software application that allows individuals to view open jobs, accept a specific open job, follow script detailing steps for each job and report completion of job.

To:

Downloadable mobile software application that permits individuals to accept jobs in the fields of merchandising and sales posted by branded consumer packaged goods companies and complete tasks by following a customized script;

¹ Additional text underlined.

Downloadable mobile software application that allows individuals to view open jobs, accept a specific open job, follow script detailing steps for each job and report completion of job, none of the foregoing include software for social networking or software for use in developing employee and public communities, or adoption and integration of existing corporate systems through the use of social networking.

Class 35

From:

Product merchandising for others, namely, merchandising and sales promotion services for branded consumer packaged goods companies; retail store services and distributorship services featuring a wide variety of branded consumer packaged goods.

To:

Product merchandising for others, namely, merchandising and sales promotion services for branded consumer packaged goods companies; retail store services and distributorship services featuring a wide variety of branded consumer packaged goods, none of the foregoing include business consultation services in the field of developing collaborative employee and public communities, or adoption and integration of existing corporate systems through the use of social networking.

The amendments are limiting in nature, as required by Trademark Rule 2.71(a).

Because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

If the amendments resolve this proceeding, Opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. *See* Trademark Rule 2.106(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise SUSPENDED.
