Opposition No. 91229810

*International Code Council, Inc.*

*v.*

*Chambre De Commerce Internationale*

**By the Trademark Trial and Appeal Board:**

On August 30, 2017, Applicant filed a proposed amendment to its application Serial No. 79172418, with Opposer's consent, and Opposer's withdrawal of the opposition with prejudice, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the identification of goods in International Classes 9, 16, 35, 41, and 42 to add the following underlined language:

***International Class 9***

Computer software and downloadable mobile applications for providing reference information and data access for education and business support for use in the fields of international trade and business, including banking and financial services, of policy development, self-regulatory rules, codes and guidelines for business and international trade, and of alternative dispute resolution; electronic publications, namely, e-books, audio and visual presentations, and films, in electronic form, recorded on data carriers, or downloadable on-line from a computer

database or the Internet; all the aforesaid in the fields of international trade and business, including banking and financial services, of policy development, self-regulatory rules, codes, and guidelines for business and international trade, and of alternative dispute resolution; excluding codes, rules and guidelines relating to building and construction, and to building and construction safety.

***International Class 16***

Printed publications, namely, books, magazines, newsletters, bulletins, posters reports, guides, codes, rules, policy papers, research papers in the fields of international trade and business, including banking and financial services, of policy development, self-regulatory rules, codes and guidelines for business and international trade, and of alternative dispute resolution; photographs, printed and instructional and teaching materials in the fields of international trade and business, including banking and financial services, of policy development, self-regulatory rules, codes, and guidelines for business and international trade, and of alternative dispute resolution; excluding codes, rules and guidelines relating to building and construction, and to building and construction safety.

***International Class 35***

Business research, advisory and consulting services in the fields of international trade and business, of policy development, self-regulatory rules, codes, and guidelines for business and international trade, and of alternative dispute resolution; computer database compilation; business advisory services namely, provision of business information using databases of businesses and business services and business database services to facilitate the forming of business relationships online or using the internet; organisation of exhibitions for business and trade purposes; conducting business surveys, opinion polls, economic forecasts; market studies and research; business information services relating to international trade and business, to policy development, self-regulatory rules, codes, and guidelines for business and international trade, and to alternative dispute resolution; excluding codes,

rules and guidelines relating to building and construction, and to building and construction safety.

***International Class 41***

Educational and training services, namely, distance learning and on-line education and training services in the fields of international trade and business, banking and financial services, policy development, self-regulatory rules, codes and guidelines for business and international trade, and alternative dispute resolution; providing seminars, courses and conferences, and organization of examinations and certification of education and training, in the fields of international trade and business, banking and financial services, policy development, self-regulatory rules, codes and guidelines for business and international trade, and alternative dispute resolution; organization of competitions, and providing recognition and incentives in the form of prizes and awards, for excellence in the fields of international trade and business, banking and financial services, policy development, self-regulatory rules, codes and guidelines for business and international trade, and alternative dispute resolution; production of audio, video and film recordings; writing and publication of books, journals and texts, in any medium, including in electronic form; providing non-downloadable on-line electronic publications, namely, books, magazines, newsletters, bulletins, posters, reports, guides, codes, rules, policy papers and research papers in the fields of international trade and business, banking and financial services, policy development, self-regulatory rules, codes and guidelines for business and international trade, and alternative dispute resolution; providing information in the fields of education and training; excluding codes, rules and guidelines relating to building and construction, and to building and construction safety.

**International Class 42**

Accreditation of trainers and training courses, namely, developing, evaluating, and testing standards for education and training services for the purpose of accreditation; computer software and mobile applications development in the fields of international trade and

business, including banking and financial services, of policy development, self-regulatory rules, codes, and guidelines for business and international trade, and of alternative dispute resolution; excluding codes, rules and guidelines relating to building and construction, and to building and construction safety.

The amendment is limiting in nature, as required by Trademark Rule 2.71(a).

Because Opposer consents, the amendment is **APPROVED** and **ENTERED**. *See* Trademark Rule 2.133(a).

The contingency of Opposer's withdrawal having been met, the opposition is **DISMISSED** with prejudice in accordance with the agreement between the parties.
