MOTION TO WITHDRAW AS REPRESENTATIVE UNDER 37 CFR § 11.116 (a)(2)

This request for permission to withdraw is being filed due to the unfortunate circumstances of my worsening symptoms from Parkinson’s disease.

As per TBMP 513.01, this Motion herein sets forth the following, in accordance with rule 37 CFR § 11.116 (c):

- (1) This request is based on the impairment of Applicant’s Representative’s physical and/or mental condition due to the worsening effects of Parkinson’s disease, the impairment being to such an extent that it materially impairs the Representative’s ability to represent his client, the Applicant;
- (2) The Representative notified Applicant of his desire to withdraw from employment on November 20, 2017, and has allowed time for employment of another Representative;
- (3) The Representative has delivered to Applicant all documents, papers and/or property that relate to the proceeding and to which Applicant is entitled;
- (4) There are no fees that were paid in advance by Applicant to Representative which have either not been used or have not been refunded; and

(5) Attached hereto is proof of service of this Motion upon Applicant (the Representative's client) and the Opposer's Representatives, the other party to this proceeding.

In accordance with the statements set forth above, it is respectfully requested that Richard M. Blank be given permission to withdraw as Applicant's Representative in this Opposition proceeding.

Respectfully submitted, Dated: January 17, 2018
