v.

Tung B. Vo

Elizabeth A. Dunn, Attorney (571-272-4267):

The parties' stipulation to adopt ACR (accelerated case resolution) procedures filed July 12, 2018 is approved.¹

Dates are reset to the dates set forth in the stipulation.

The Board will expedite determination of this matter, and seek to issue a final decision on the merits within fifty days of the due date for the reply brief or the oral hearing (if one has been requested).

¹ The ACR stipulation does not include proof of service as required by Trademark Rule 2.119(b). The Board exercises its discretion to consider the filing. However, strict compliance with the service requirement is expected in all future submissions.
