**CONSENT MOTION TO AMEND APPLICATION**

The parties have amicably resolved the issues in the Opposition via settlement. Pursuant to the settlement, Applicant has agreed to amend the identification of services in class 43 in the application to delete “bar services” therefrom.

Accordingly, Applicant, Frank Brunckhorst Co., LLC requests that Application No. 86/656,066 be amended to delete “bar services” from the identification of services. Thus, the amended identification of services in class 43 should read, “Restaurant and catering services.”

Applicant has the express consent of Opposer to amend the application as set forth above.

In view of the foregoing, Applicant respectfully requests that this Motion be granted and that the application be amended as set forth herein.

Respectfully submitted,

Dated: March 2, 2017
