MOTION ON CONSENT TO SUSPEND PROCEEDINGS

Opposer, by and through its attorneys, hereby moves for an order suspending the proceedings in this matter for a period of ninety (90) days to allow the parties to continue their settlement negotiations. Applicant filed his Answer to the Notice of Opposition on January 13, 2017. The parties participated in a telephone discovery conference prior to the February 15, 2017 deadline for this conference. The parties, by and through their respective attorneys, are negotiating the terms of a possible settlement and therefore consented to this motion. The parties acknowledge that initial disclosures in this matter will be due no earlier than January 15, 2018, and all other dates on the case schedule will be reset accordingly so the parties have the full six month period of discovery. The suspension is requested to allow the parties to continue to engage in settlement negotiations.
