Veronica P. White, Paralegal Specialist:

Opposer's consented motion (filed May 17, 2017) to suspend this proceeding to accommodate the parties' efforts to settle this matter is granted.

Accordingly, proceedings are suspended in accordance with the motion, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c), and 2.127(a); and TBMP § 605.02.

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed.¹ *See* Trademark Rule 2.18(b)(1).

¹ If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, in accordance with the schedule as set in Opposer's motion.

Generally, the Federal Rules of Evidence apply to Board trials. Trial testimony is taken and introduced out of the presence of the Board during the assigned testimony periods. The parties may stipulate to a wide variety of matters, and many requirements relevant to the trial phase of Board proceedings are set forth in Trademark Rules 2.121 through 2.125. These include pretrial disclosures, the manner and timing of taking testimony, matters in evidence, and the procedures for submitting and serving testimony and other evidence, including affidavits, declarations, deposition transcripts and stipulated evidence. Trial briefs shall be submitted in accordance with Trademark Rules 2.128(a) and (b). Oral argument at final hearing will be scheduled only upon the timely submission of a separate notice as allowed by Trademark Rule 2.129(a).
