v.

Amorepacific Corporation

Michael Webster, Interlocutory Attorney:

On February 5, 2018, the Board issued an order suspending this proceeding retroactive to the filing date of Opposer's motion for summary judgment, filed January 17, 2018. On April 18, 2018, Applicant filed a motion to suspend pending settlement negotiations with Opposer's consent.

Because the parties are negotiating for a possible settlement of this case, proceedings are **suspended** for settlement for thirty (30) days from the filing date of the motion, subject to the right of either party to request resumption at any time.¹ *See* Trademark Rule 2.117(c). In the event that there is no word from either party concerning the progress of their negotiations within the next thirty days, proceedings will **remain**

¹ The parties should note that if proceedings are suspended for a lengthy period of time pursuant to the filing of several motions to suspend for settlement, the Board retains discretion to condition the approval of any future consented or stipulated motion to suspend on a party or the parties providing necessary information about the status of settlement talks, discovery activities, or trial activities, as may be appropriate. Trademark Rule 2.117(c).
