Andrew P. Baxley, Interlocutory Attorney:

It has come to the Board's attention that Registration No. 5516404 (application Serial No. **86759759**), for the mark GRUYERE, was inadvertently issued on July 17, 2018. The registration should not have been issued during the pendency of the above-captioned proceedings. Accordingly, the electronic record of the above-identified application will be referred to the Commissioner for Trademarks for appropriate action.<sup>1</sup>

Dates herein remain as last reset in the Board's June 6, 2018 order.

---

<sup>1</sup> The Office of the Commissioner for Trademarks may issue an order cancelling the inadvertently issued registration and restoring the application to pendency, subject to the present opposition proceedings.
