v.

South Shore Slag LLC

Victoria von Vistauxx, Paralegal Specialist:

Opposer's consented motion, filed April 5, 2019, to suspend this proceeding for 60 days is granted.

Status Report Required for Future Motions to Suspend or Extend

The Board retains discretion to condition the approval of a consented or stipulated motion to suspend on the party or parties providing necessary information about the status of settlement talks, discovery activities, or trial activities, as may be appropriate. *See* Trademark Rule 2.117(c); TBMP §§ 509.02 and 605.02.

Due to the number of extensions approved in this proceeding, the Board imposes a condition on the approval of all future motions to suspend or extend for settlement. Specifically, to establish good cause for all future motions to suspend or extend, the

parties must include in the motion a status report on the parties' settlement efforts. While the rule does not require a great deal of specificity, the report must set forth, at minimum, the issues that have been resolved, the issues that remain to be resolved or that remain for trial, and a proposed timetable for resolution of the remaining issues. Appropriately designated confidential information or materials may be filed under seal pursuant to Trademark Rule 2.126(c). *See* TBMP § 605.02. **Absent the required status report, a motion to suspend or extend may be denied, even if consented to by the parties.** If the Board denies such a motion, dates may remain as previously set. *See* TBMP § 509.01(a).

Due to this requirement, **the parties may no longer use the ESTTA "Consent Motions" forms to submit motions to extend or suspend dates for settlement.** Rather, the parties must select the "Opposition, Cancellation or Concurrent Use (general filings)" option, the "Scheduling Motions" option, then the "Motion to Suspend for Settlement Discussions" form to which the parties may attach the motion they prepared. **The motion must set forth both the required status report and a proposed trial schedule.**

The requirement to use the general filings ESTTA form is limited to consent motions based on settlement discussions, and does not prohibit the use of ESTTA consent forms for other filings.

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended, subject to the right of either party to request resumption at any time.¹ *See* Trademark Rules 2.117(c) and 2.127(a); and TBMP § 605.02.

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed. *See* Trademark Rule 2.18(b)(1).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, **proceedings shall resume without further notice or order from the Board**, upon the schedule set forth below.
