Opposition No. 91233332

Quora, Inc.

v.

Quora Technology, Inc.

By the Trademark Trial and Appeal Board:

On June, Applicant filed an express abandonment of its application Serial No. 87063521.

Trademark Rule 2.135 provides that if, in an *inter partes* proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because Opposer's written consent to the abandonment is not of record, judgment is entered against Applicant, the opposition is sustained and registration to Applicant is refused.¹

¹ In view of the instant order, Applicant's request (filed May 26, 2017) to set aside the notice of default is moot and will receive no further consideration.
