Plaintiff's Reply Brief Due	02/04/2021
Request for Oral Hearing (optional) Due	02/14/2021

The grounds for this request are as follows:

The parties have continued to engage in settlement discussions and have made significant progress since the last suspension. Specifically, since the last suspension request, the parties have had discussions regarding terms relating to use and registration of the opposed marks and related marks in multiple jurisdictions. Most recently, the parties had a phone call today, July 15, 2019, in which they discussed terms related to registration for related marks in the United States and abroad. The parties need additional time to discuss the negotiated terms internally and with counsel, and for both sides to review the agreement and revise accordingly.

The parties further request that the proceeding be suspended pending disposition of this motion. In the event that the Board denies this motion, Opposer requests an extension of the deadlines by sixty (60) days after such denial.
