**Denise M. DelGizzi,
Chief Clerk of the Board:**

On December 24, 2019,¹ Opposer filed the parties' stipulated motion to amend several of Applicant's applications involved in the above-captioned opposition proceedings. A red-lined copy of the proposed amendment was not submitted.

It is noted that the identification of goods which applicant seeks to amend contains, collectively over eight classes. As explained in TBMP § 514.01 (June 2020):

The Board recommends submission of a red-lined copy of the proposed amendment showing the proposed changes along with a clean copy of the proposed amendment, particularly if a lengthy identification of goods is involved. Such a submission will assist Board personnel in entry of the amendment should the motion be granted.

In view of the number of application involved herein and the Board's desire to accurately determine the merits of the motion to amend, applicant is allowed until **THIRTY DAYS** from the date of this order in which to provide a red-lined version of the proposed amendments; failing which, the December 24, 2020 motion to amend will be given no consideration.²

Suspension

¹ The delay in acting on this amendment is regretted.

² The red-lined copy may use strikethrough to show any deletions and bold underlining to show any additions. In the present situation, the Board will give no consideration to any changes or amendments not clearly shown by red-lining.
