The grounds for this request are as follows:

- *Parties are engaged in settlement discussions*
- *The parties have exchanged Settlement Drafts for a co-existence arrangement. The Plaintiff is located in Germany. The defendant is located in Australia. The Australian party has responded to the German proposal. The Australian party's counsel in Australia also needed to advise the Australian party as the law in Australian also became an issue. That has been done. It is defendant's understanding that the response was sent to the client in Germany and plaintiff's counsel is awaiting word from its client as to whether the last revision will become the final agreement. The parties are jointly requesting 60 days so that if any other changes have to be made, they will be made in that period of time, and the agreement will go out for signature.*

Good Games PTY, LTD has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

Good Games PTY, LTD has provided an email address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
