v.

Economic Alchemy LLC

Yong Oh (Richard) Kim, Interlocutory Attorney:

By the Board's order of August 5, 2017, the remaining dates in this proceeding were reset and Applicant/Respondent (hereinafter "Applicant") was allowed until August 25, 2017, to notify the Board of the status of its legal representation. After the issuance of the Board's order, correspondence dated August 4, 2017, from Applicant's former counsel seeking to withdraw as Applicant's representative was late-entered into the prosecution history of these consolidated proceedings. Notwithstanding that counsel was discharged from the opposition proceeding on

May 23, 2017, and was never of record in the cancellation proceedings, and that the prior motion practice between the parties concerned the very issue of Applicant finding legal representation, the paralegal assigned to this matter acted on the request to withdraw and allowed Applicant thirty days from the mailing date of the order, i.e., until September 18, 2017, to either appoint counsel or to file a paper stating that Applicant chooses to represent itself, despite the Board's notice in its previous order that the August 25, 2017, deadline would not be extended. The paralegal order went on to otherwise suspend these proceedings.

The extension of time and suspension were in error. Therefore, the suspension is **VACATED**. To the extent that the August 25, 2017, deadline has passed and was reset, **the new deadline of September 18 will be allowed to stand**. **HOWEVER**, the previously set deadline for Applicant's answer in the order of August 5, 2017, and the schedule therein, will remain unchanged and the parties are expected to proceed in accordance with that schedule. For the parties' convenience, that schedule is set forth below with the deadline for Applicant's notice of representation updated in accordance with this order:

Generally, the Federal Rules of Evidence apply to Board trials. Trial testimony is taken and introduced out of the presence of the Board during the assigned testimony periods. The parties may stipulate to a wide variety of matters, and many requirements relevant to the trial phase of Board proceedings are set forth in Trademark Rules 2.121 through 2.125. These include pretrial disclosures, matters in evidence, the manner and timing of taking testimony, and the procedures for submitting and serving testimony and other evidence, including affidavits, declarations, deposition transcripts and stipulated evidence.

Trial briefs shall be submitted in accordance with Trademark Rules 2.128(a) and (b). Oral argument at final hearing will be scheduled only upon the timely submission of a separate notice as allowed by Trademark Rule 2.129(a).
