v.

JHMJLL Inc.

**M. Catherine Faint,
Interlocutory Attorney:**

The Board notes Applicant's third motion to dismiss (filed December 27, 2017), Applicant's copy of Registration Certificate 5351993 (filed December 28, 2017), Opposer's motion for default judgment filed (January 3, 2018), and Opposer's motion to strike (filed January 3, 2018).

Due to the overlapping grounds on which the motions were filed, Applicant is allowed until 20 days from the service date of the motions for default and to strike to file a combined reply brief, if any, in support of its motion to dismiss and response brief in opposition to the motions for default and to strike, limited to 25 pages. Opposer is allowed until 20 days from the service date of Applicant's combined response and reply, if any, to serve a combined reply brief in support of its motions, limited to 10 pages.

The proceeding is suspended with respect to all matters not germane to the motions, and no party should file any paper which is not germane to the motions except as otherwise may be specified in a Board order. *See* Trademark Rule 2.127(d). Accordingly, as of the filing date of the motion to dismiss, proceedings are suspended pending disposition of the motion. Any paper filed during the pendency of this motion which is not germane thereto will be given no consideration. *See* Trademark Rule 2.127(d).

The parties should note that the schedule for the discovery conference, initial disclosures and discovery is also suspended by this order and will be reset in the event that the Board resumes proceedings. TBMP § 401.01.

The motion to dismiss, motion for default judgment, and motion to strike will be decided in due course.
