**Victoria von Vistauxx, Paralegal Specialist:**

Applicant's consented motion, filed April 22, 2020, to suspend this proceeding for 90 days is granted.

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended, subject to the right of either party to request resumption at any time.<sup>2</sup> *See* Trademark Rules 2.117(c) and 2.127(a); and TBMP § 605.02.

<sup>1</sup> A review of the record reveals that the assignment (the name change) of the subject application was recorded with the Assignment Recordation Branch of the Office on April 3, 2020 (6907/0835).

<sup>2</sup> The parties should note that if proceedings are suspended for a lengthy period of time pursuant to the filing of several motions to suspend for settlement, the Board retains discretion to condition the approval of any future consented or stipulated motion to suspend on a party or the parties providing necessary information about the status of settlement talks, discovery activities, or trial activities, as may be appropriate. *See* Trademark Rule 2.117(c).

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed.<sup>3</sup> *See* Trademark Rule 2.18(b)(1).

An answer must be filed through ESTTA, the Board's Electronic System for Trademark Trials and Appeals. *See* Trademark Rule 2.106(b)(1).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, **proceedings shall resume without further notice or order from the Board**, in accordance with Applicant's motion, as follows:

The Board requires each submission to meet the following criteria before it will be considered: 1) pages must be legible and easily read on a computer screen; 2) page orientation should be determined by its ease of viewing relevant text or evidence, for example, there should be no sideways or upside-down pages; 3) pages must appear in their proper order; 4) depositions and exhibits must be clearly labeled and numbered – use separator pages between exhibits and clearly label each exhibit using sequential letters or numbers; and 5) the entire submission should be text-searchable. Additionally, submissions must be compliant with Trademark Rules 2.119 and 2.126. Submissions failing to meet all of the criteria above may require re-filing. **Note:** Parties are strongly encouraged to check the entire document before filing.<sup>4</sup> The Board will not extend or reset proceeding schedule dates or other deadlines to allow
