Opposer, Suyen Corporation, a corporation organized under the laws of the Philippines, located and doing business at 2214 Tolentino Street, Pasay City, 1300, Philippines ("Opposer"), believes that it will be damaged by registration of the mark shown in United States Trademark Application Serial Number 86563140 ("the Opposed Application"), and hereby opposes same. The Opposed Application was filed on March

A true and correct status copy of this mark downloaded from tsdr.uspto.gov on July 31, 2017 is submitted herewith as Exhibit 7 and incorporated by reference herein.

9. Opposer is the owner of United States Trademark Registration 4405020 for BENCH (word only) for “CL 028 Athletic Supporters; CL 025 Clothing, namely, jackets,

coats, outerwear, namely, sweaters and cardigans, capes, pants, shirts, skirts, dresses, t-shirts, sweaters, vests, shorts, sport shirts, blouses, neckwear, belts, socks, underwear, lingerie, pajamas, robes, gloves, swimwear, sweatpants, sweatshirts and wristbands; Footwear, namely, shoes, boots and sandals; Headwear, namely, scarves, hats, caps and headbands; Men's and ladies' shoes, sandals, slippers, boots and underwear, namely, men's and ladies' briefs, boxer shorts, sandos (tank tops), undershirts, socks, stockings, pajamas, lingerie, bathing suits, swimming trunks, bathrobes, caps, vests, jumpers, jumpsuit, athletic suits, sweaters, cardigans, neckties, suspenders", which was filed on January 10, 2005, and registered on the Principal Register on September 24, 2013. Said registration was based upon an application filed in the United States Patent and Trademark Office on a date prior to the date of filing of the Opposed Application. Said registered mark of Opposer is valid and subsisting and is prima facie evidence of Opposer's exclusive right to use said mark in commerce on the goods and/or services specified in said registration. A true and correct status copy of this mark downloaded from tsdr.uspto.gov on July 31, 2017 is submitted herewith as Exhibit 8 and incorporated by reference herein.

10. By virtue of its federal registrations identified above in paragraphs 2-9, and incorporated by reference herein, Opposer has the prima facie exclusive right to use its family of BENCH marks on the identified goods and services in the United States, and this exclusive right extends to marks which are so highly similar as to create a likelihood of confusion, mistake or deception.

11. Based upon information and belief, Applicant has no legitimate common law rights in its alleged mark TRENCH, having used and/or intended to use the mark far more recently than Opposer long-standing rights in its family of marks as set forth above in paragraphs 2-9.

12. Based on information and belief, Applicant has no registration rights for the alleged TRENCH with the United States Patent and Trademark Office. Applicant's only application for said mark is the subject of the current opposition proceeding, the Opposed Mark that was filed on March 13, 2015, a date subsequent to all of Opposer's registrations identified above in paragraphs 2-9.

13. Based on information and belief, there is no issue as to priority, with first use and registration by Opposer for all of its federal registrations identified above in paragraphs 2-9, and incorporated by reference herein, predating Applicant's filing date, Opposer first used and registered the marks in all of its federal registrations identified above in paragraphs 2-9 above in commerce and interstate commerce on or before the filing date of Applicant's intent to use application opposed herein.

14. Opposer has developed substantial goodwill and a large national and international business identified by its marks identified above in paragraphs 2-9, and incorporated by reference herein. Customers and others within the trade have come to recognize Opposer's marks identified above in paragraphs 2-9 as exclusively identifying Opposer, and Opposer has developed, and is continuing to develop, a valuable reputation for excellence in connection with the quality of its goods and services identified in and for the marks identified above in paragraphs 2-9.

15. The Opposed Mark sought to be registered by Applicant, TRENCH, is confusingly similar to each of the marks in Opposer's family of marks identified above in paragraphs 2-9 and incorporated by reference herein, and so resembles Opposer's Marks as to be likely, when used in connection with the goods and services identified in the application for Applicant's Mark, to cause confusion, to cause mistake, or to deceive the consuming public. The dominant portion of each of Opposer's marks in its family of marks is BENCH, and this term is largely featured in the Opposed Mark. The Opposed Mark incorporates four of the five letters of Opposer's "BENCH" marks. The marks sound highly similar, all ending with the identically pronounced "en(t)SH/" ending. Opposer's marks as set forth in paragraphs 2-9 above, contain the sound "en(t)SH/" as the ending. The Opposed Mark is a single word containing the same "en(t)SH/" ending. "Further, the letter "R" in "TRENCH" looks nearly identical to a capital letter "B", thus enhancing the similarity of the sight or appearance of Opposer's family of marks set forth in paragraphs 2-9, and the Opposed Mark. Further, the words "trench" and "bench" both describe landforms.

16. Opposer's Marks, are used on identical and closely related goods and/or services, which travel in the same channels of trade and are sold to the same class of customers as Applicant's services are targeted to be advertised and sold. The application for the Opposed Mark includes "Perfumed soaps; perfumes, eaux de toilette, eaux de Cologne; perfumed body creams, perfumed body milks, perfumed body lotions". Opposer's marks cover personal care products, cosmetics, perfume, cologne, hair shampoo, soap, hair conditioner, skin lotion and face and body powder, and wholesale stores, ordering services and distributorship services in the fields of personal

care products and cosmetics. Thus the goods and services of Opposer are legally identical to those included in the Opposed Application. There are no limitations on the channels of trade in the Opposed Application.

17. Opposer's family of marks identified above in paragraphs 2-9 and the Opposed Mark make highly similar commercial impressions as to the sight sound and meaning, creating the likelihood that customers and others will be confused, misled, or deceived into the mistaken belief that Applicant's products emanate from, or are somehow associated with Opposer. The resulting confusion, mistake or deception will be to the detriment of Opposer and will cause substantial damage and injury.

18. On information and belief, Opposer and Applicant target related consumers, and the Opposer's marks and the Opposed mark will travel in the same or related trade channels. Opposer has no control over the nature and quality of Applicant's goods and/or services, and thus faces the substantial risk that the value, goodwill, and reputation associated with the marks identified above in paragraphs 2-9, will be tarnished, which will cause significant damage and injury.

19. Approval of The Opposed Application for registration and use of Applicant's mark would further constitute a false designation of origin and a false and misleading representation of fact likely to cause confusion, mistake, or deception as to the affiliation, connection, or association of the parties, or as to the origin, sponsorship, or approval of Applicant's products by Opposer. See 15 U.S.C. § 1125(a).

20. On information and belief, Applicant is not the owner of the Opposed Mark, and based thereon, Opposer asserts the Opposed Application is null and void. On information and belief, Yves Saint Laurent Parfums SAS, a French entity legally related

to Applicant, may be the alleged owner of the Opposed Mark, and Applicant herein has no ownership rights. A true and correct status copy of Yves Saint Laurent Parfums' United States Application 87311505 downloaded from tsdr.uspto.gov on July 30, 2017 is submitted herewith as Exhibit 9 and incorporated by reference herein. A true and correct computer screen grab from Yves Saint Laurent's website, <http://www.yslbeautyus.com/>, of a product sold under the alleged mark "Yves Saint Laurent TRENCH", as set forth in Application No. 87311505, taken on July 30, 2017 is submitted herewith as Exhibit 10 and incorporated by reference herein. On information and belief, counsel for the Opposed Application is aware of these competing applications as attorney Dyan Finguerra-DuCharme is identified in both Exhibit 9 and in the Opposed Application as counsel of record. A copy of Application No. 86563140 (the Opposed Application) indicating counsel of record is attached As Exhibit 11 for reference.

21. On information and belief, Opposer has made false, material representations with the intent to deceive the United States Trademark Office, intentionally and willfully misrepresenting facts in filing and prosecuting Application No. 86563140 (the Opposed Application). Such actions constitute fraud on the United States Trademark Office.

22. On information and belief Applicant lacked a bonafide intent to use the Opposed Mark because it did not have such intent at the time the application was filed, and does not have a bona fide intent at this time. On information and belief, it is and was Applicant's intent that Yves Saint Laurent Parfums SAS be the owner of the TRENCH trademark for the applied-for goods.

WHEREFORE: Opposer prays that the Opposed Application for TRENCH, U.S. Trademark Application No. 86563140, be rejected, that no registration be issued thereon to Applicant, and that this Opposition be sustained in favor of Opposer as to this application.
