Subject: Request For Extension

I am requesting a 90 day extension of time from the date of receipt of this correspondence to prepare a response to your opposition #91237212 mailed October 13, 2017.

My request is based on my inability to adequately investigate your opposition and to have time to confer with or obtain counsel. The scheduling of these events and the allocation of sufficient time to dedicate to this process has been severely impacted by the death of family member. I would appreciate your cooperation and acceptance of my request for extension.

*I hereby certify that a true and complete copy of the foregoing (Request for Extension) has been served on (Joseph F. Schmidt, counsel representing Nafco Inc.) by forwarding said copy on (November 20, 2017), via email and letter via United States Postal Service) to:*
